STEP RIGHT UP FOLKS!

. . . THE SHOW IS ABOUT TO BEGIN!

WE think an annual should be gay, but not vulgar; festive, but not gaudy; sentimental, but not sad. With these things in mind, we made this 1947 NO-SO-WE-EA for you, with the hope that in future years, as you leaf through its pages, you will remember your stay in S. P. H. S. as the best years of your life.

DO YOU REMEMBER..?

FALL...

School days, dear old golden rule days. The first of the year, some new faces, some old and dear. Settling down to restrain the sore disquiet of a restless brain. Then came October, the annual pictures were taken; it was quite a task. Clean-up day came a few weeks later. The S.A.S.G. Convention —what a time was had by all! The first blue slips were sent home. Oh me!!—Need we say more? As something to remember old S.P.H.S. in the good old year of '47, many ordered their class rings and pins.

WINTER...

Holiday season—Christmas—what a joyous time for all! The Holiday Hop was a welcome-home dance for all the alumni. Then back to school to take up where we had left off. Exams—Those revealing little blue slips again.— The National Honor Society tapping—let the studious be recognized. Tests, tests, and more tests—the Westinghouse tests, Pepsi-Cola tests and the senior aptitude tests. The enthusiastic audience of students and adults cheered our basketball team to a glorious victory, "The Big Ten Championship."

SPRING...

Ho-hum, we've all got that fever. Chances are it's spring. The Student Government elections came along in March; also the Senior Play or the S.P.H.S. story of the "Philadelphia Story." Then autobiographies—"Backward, turn backward, O time, in thy flight, and make me a child again just for tonight." Another National Honor Society Tapping—a worthwhile reward for studying. Then a long-awaited Easter vacation. The Junior class presented the annual Junior-Senior Prom, which we will always remember. Oh dear! Exams and then whether we graduate or not (?). Finally the Move-up Chapel, a solemn and sad moment. Then things begin happening too quickly; Class Night, Farewell Picnic, our Baccalaureate Service, and Graduation, all too soon. Farewell to you, our own Alma Mater.

In Memoriam

To the memory of our departed classmates, Jack Neely and Margaret Johnstone.

Because they were courteous and kind to young and old, because they were well-liked by all who knew them, and because of Jack's and Margaret's comradeship and whole-hearted support in all of S.P.H.S.'s undertakings, we dedicate this symbol of our love and respect.

FALL

Well, here we are again; finding it hard to settle down to work after an exciting summer. We had our first Junior Chapel, and the officers were introduced. Nearly all our Friday nights were taken up by football games.

WINTER

The Juniors, assisted by Miss John, put on a grand Christmas Chapel. Roby, Janet Ruth, Joe, and Carol really made a hit! . . . HOLIDAYS! Our second chapel; Carol Eiserman did a wonderful job on the program, and the decorations were very original. All the girls dragged a boy to the Service Club's "Cupid's Capers."

SPRING

Some of the class, headed by Denny Rusinow, put on a grand Junior Edition of the *Palmetto & Pine*. We presented Louis Hollingsworth as a guest artist and invited the Sophomores and Seniors to the chapel. We had our final Junior Chapel for election of officers. We put on a super prom for the Seniors. We ushered for the graduation and bade the Seniors a final fond farewell.

FALL

School opened and we're finally in S.P.H.S.!! Golly, but the halls are huge. Sophomore week was super! Had our class elections and the Sophomore Ball. Steve Kelly and Patty Burke were King and Queen. The Student Government Convention was a huge success. We Sophs surely were glad to help on such a project.

WINTER

During the vacation all the guys dragged their gals to the S.G. "Holiday Hop." Exams, yipe! We all did pretty well, though. Rubinoff and his Violin were featured in chapel. My, how we enjoyed that! Mrs. Philip D'Albert Lake spoke for our Sophomore Chapel, to which the entire student body was invited. The Miami Edison Band gave a concert.

SPRING

Registration—we all tried to figure out what we'd take next year. Katie Thomas and Jim Blakeslee were elected to Student Government offices. Had elections for Junior Class officers. The Sophomore edition of the P & P came out with Amelie Oksenberg as editor. The Sophomore Party made a bright and glorious ending for the dances of the year. Our final act as Sophomores was our annual duty of ushering for Baccalaureate.

The Student Government, headed by its efficient officers and advisers, has made this, its twelfth year, one of outstanding accomplishments. The largest task for the year was entertaining some six hundred students from thirteen southern states for three days. The outcome showed careful planning and everyone helped to make it the success that it was. The students have completed, published, and distributed the new Student Handbooks which have helped everyone to become better acquainted with his school. They have conducted all elections in school during the year. The Student Government has been working in various ways to improve school spirit, to aid and control the extra-curricular part of school life by working with the administration in all things for the good of the school. During the month of March they sent delegates to the State Convention of students in Orlando, and to the S.A.S.G. workshop in Nashville, Tennessee.

NO-SO-WE-EA

LESSIE BUSBEE, *Editor-in-chief*

With a sigh of relief, the Staff can now sit back and gaze proudly at their "baby"—the 1947 NO-SO-WE-EA—and reminisce about the many fifth and sixth periods of hard work bestowed on it. The work is done, the annual room is quiet. No more do passersby hear the frenzied wails of Busbee as she says, "You all have not turned in your copy and it's over two months late." No more does McLeod scream, "Where's the dummy?" (For the benefit of the uninitiated, she is not referring to any member of the staff, but to the mock-copy of the annual)—for the dummy has turned into the real thing.

Gone is the glue—used not on pictures but between the thumbs and index fingers of the staff; O'Berry and Shaw have their well-earned respite now from the tribulations of posing the club pictures and collecting money for same; Bettye Hart and Pat Bottome can relax their vigil on "Who won what" and speak freely without revealing any "Superlative" secrets; Merwin and Smith need entertain no more thoughts of when the Junior and Sophomore pictures should be taken.

The tap-tap of the typewriter is heard no more since DeLone and Dishman completed their gathering-up of activity sheets; and the path beat to the photographers by Ellery and Lawton on their way to collect Seniors' pictures is slowly fading out.

Cracker Miller and Iris Sudduth can now enjoy boys' and girls' sports without having to worry about writing them up; Laura Ostwald is through organizing and producing the "Organization and Productions" section for posterity.

Mrs. Gee can relax her supervision and join the staff as they look at the No-So-We-Ea which her advising helped them to put out.

Photographers Hailey, Johnson, and Merwin can take up their cameras without being sent to snap pictures of the school, or of the honored seniors that Isobel designated for "Who's Who."

Iler, Gillette, Rigg, and Thompson can quit making like bareback riders or fair-goers while they think up ideas to draw for the theme; Mae and Merilyn can try to regain the years spent on "Year-In-Pictures."

The faculty's footsteps are no longer haunted by Lela Dugan, assisted by the junior representatives, Reese and Jansen, begging them to have their pictures taken; our two jeans- Gene Harris and Jean Duncan, are no longer blue because of their circulation (reports).

The jangle of coins and the rustle of receipts is hushed since Swope and Junior Representative Haliczer, have finished managing the business; Herold and Phyllis Dee can now enter stores without having their ad-sheets in hand. The other junior representatives, Budd and Bumpous, can send in their bills for shoes worn out on the many errands they have run.

Even our long-suffering advisers, Mrs. Pauline Gee and Miss Janet King can smile with us, because it's all over now.

We've had fun mixed with our hard work. Because of the good times we've had together we're sorry it's done, but because we did put in many laborious hours of work, we think we are justified in our pride in the annual. The 1947 No-So-We-Ea, dear S.P.H.S., is yours. We hope you like it as much as we do!

"El Buen Vecino" is the pride and joy of our Spanish department. In fact, the whole school may be proud of it, for it is the first language paper in this whole vicinity. Under Mrs. Williams' able supervision, this Spanish newspaper made its successful debut with four editions. Since it is written wholly in Spanish, it does much to further its readers' understanding of the language.

The students who participated in the paper's publications are: *Bottom row:* Alan Dee, Edward Twohie, Paul Bussian, Eugene Belcher, Alan Lovelace, James Bolton, Schuler Sohngen, Edwin McConkey. *Upper row:* Mrs. Elizabeth Williams, Margot Preece, Jaunita Garcia, Lois Lavender, Virginia Northnagel, Sharon O'Brien, Connie Grimm, Beth Laing, Lois Jean Miller, Jane Goldman, Betty Lee Hubbard, Mary Ann Steadman.

PALMETTO AND PINE

RUTH FLEET

ARNOLD MILLER
Business Manager

Most of us pass the Palmetto and Pine room every day; yet few conceive what goes on within those four walls to make it possible for the P. & P. to come out every Friday during activity period.

Every fourth, fifth, and sixth periods, the pounding of typewriters indicates that news is in the making.

The capable staff was headed by ever-joking Dorothy Smathers. Smat, as we lovingly call her, spent most of her time writing and coaxing everyone else to do the same. Efficient little Ruth Fleet, was busy reading copy while Arnold Miller took care of all financial matters.

The staff had the privilege of receiving advice from that competent team of Miss Parker and Mrs. Beswick.

The Palmetto and Pine was awarded first prize in the editorial division by the Southern Interscholastic Society of Journalism. This put the finishing touch to a highly successful year of work, play, and a good paper.

Advisers
MISS PARKER AND MRS. BESWICK

Every Thursday Ray Wunderlich, make-up editor, could be seen at the printer's, working on the coming edition. Shirley Peacock, literary editor, collected all those entertaining stories and poems.

From left to right are: David Bertossa, ad manager; Doris Jean Boardman, mailing clerk; Louis Adcock, assistant business manager; and Beth Laing, who was always on the job as circulation manager.

Jean Osgood, feature editor, and Virginia Northnagel, her assistant, were always up to date with their gossip column and other items of interest.

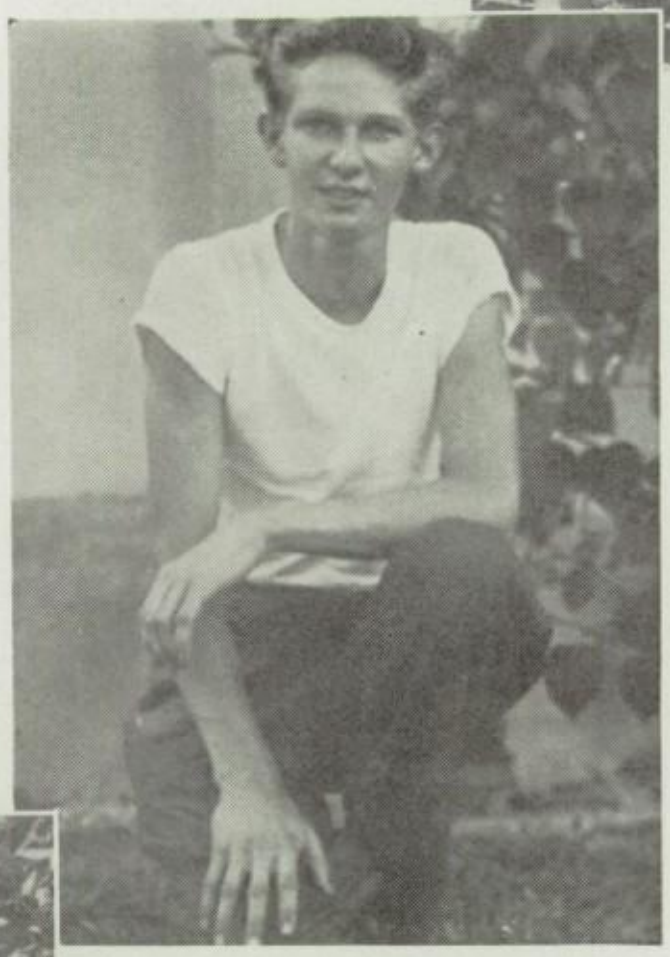
At the left is Steve Voorhees, the capable staff photographer. The cartoons were products of Jack Hayes, art editor.

These reporters had the proverbial nose for news. They are Joanne McCartney, Pat DeWitt, Betty Jean Shoeppe, Betty Jane Tappan, Sylvia Duff, and Amelie Oksenberg.

Barbara Robbins, Denny Rusinow, Joanne Franklin, Margot Preece, Tom Jones, and Doris Jean Smith were junior assistants.

Pat Bottome, news editor, and her assistant, Kennedy Greene, always kept us well informed.

Mary Youngblood and Eloise Faulk had the tedious job of typing.



Roy Holmes, as joke editor, provided us with some good chuckles.

As sports editors, Nancy Smith and Elizabeth Boyer were always on the job.

The publication was financially sustained through these ad-sellers. *Lower row:* Judy Ginty and Norma Keisling; *Upper row:* Lorraine Woodford, Louis Adcock and Ellen McMasters.

CHEERLEADERS

PAT IRWIN
Head Cheerleader

At our football and basketball games you could hear our peppy cheerleaders give out with "Yea, St. Pete!" Under Pat Irwin's leadership they raised everyone's morale and cheered us on to victory.

They were right out there with all the fanfare

They kept the team going with that do-or-die air

They had pep and vim and all that it takes

Yep, they're our cheerleaders for goodness' sakes!

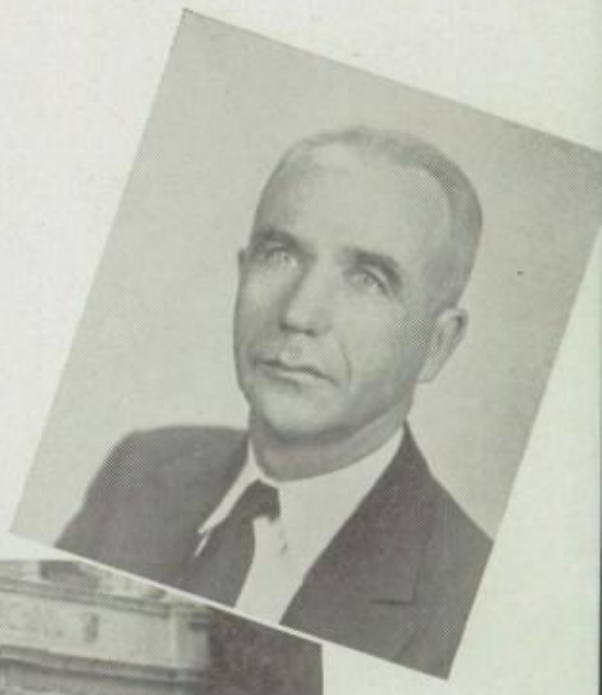
BAND

The band made an excellent showing this year under the directing of Mr. Merager and the captainship of Jim Bailey. The members went on out-of-town trips, marched in parades, and cheered us on with their stirring music during the football games.

An indispensable part of the band is, of course, the drum-majorette corps. These cute girls below did their struttin' to the band's wonderful music.



MAJORETTES

Bottom row: Dorothy Smathers, Jane Walker, Betty Bryan, Esther McLeod, Joan DeHon, Virginia Northnagel, Beverly Hughes, Polly Schurr, Pat Bottome, Lessie Busbee.

Upper row: Ruth Fleet, Shirley Peacock, Marilyn Latham, Jean Duncan, Judy Ginty, Patsy Lester, Betty Sue Dabbs, and Bettye Hart

USHERS

The ushers under Miss Carter's direction were always on the job at football games and performances. Capable Pat Bottome and Joan DeHon were head-ushers.

ORCHESTRA

Under Mr. Bennett's capable direction the orchestra performed several times. When its members took a trip to Miami, they did some excellent work and won first division.

THE SENIOR PLAY

The Philadelphia Story

By

PHILIP BARRY

In March the Senior Class presented its annual play, "The Philadelphia Story," under the able direction of Miss Daisy Belle John.

The hard-working cast which spent many hours practicing until it came close to perfection, included the following people as shown from left to right: James Shearer, Elaine O'Berry, Sara Shaw, Howard Weston, Miss John, Bill Yarbrough, Mildred Ross, Ray Wunderlich, Barbara Hull, Kenneth Wilson, Weston Jayne, Ruth Fleet, Bill Cowan, Kennedy Green, Elsie Garcia, and Earle Sheenan.

Every actor gave an excellent performance throughout the comedy. The main characters were portrayed by Mildred as the young sophisticate; Barbara Hull as the little brat sister; Weston Jayne as their mother; Bill Yarbrough and Howard Weston as Mildred's harassed suitors; and Sara Shaw plus Ray Wunderlich as the bothersome newspaper people. The cast was rounded out by the excellent performance of Earle Sheenan as "Uncle."

The whole production gave the audience much enjoyment, and it deserves the highest praise.

The cast of characters is:

FOOTBALL

The football squad always put up a good fight, but the breaks just weren't for them this year. It was the fourth game of the season before the team really came into its own, by tieing the very heavily favored Miami Edison, seven to seven. The following week the Devils broke into the win column by defeating Orlando. Lakeland and Clearwater were the only other victories in the ten-game schedule. Co-captains Don Allen and Bill Neet led the team; although there were no stars, the passing by Don Allen and Joe Morris was outstanding. Otto Freudenberger, a junior, received honorable mention for the all-state team.

Head coach John Sexton was aided by a newcomer coach John Axton and by the return of line coach Gerald Hendricks.

The managers were headed by Ray Bond and Malcolm Driver.

BASKETBALL

"... Oh we're from St. Pete High School and no one could be prouder!" This was the proud chant of the cage team rooters when the '47 Green Devils took the Big Ten Conference crown with a record of twelve wins and two defeats in conference play. Under the guidance of Coach Fred Geneva, the team played with the idea of "One for all and all for one." Although there were no stars, Captain Ray Bond took scoring honors with 306 points in the season's play, to earn his berth on the All-State team. Acting as running-mates for Bond were senior Greg Fleming, and juniors Toby Krayer and Don Cox; Krayer followed Bond in scoring. Six-foot-four-inch sophomore Hugh Robinson filled the pivot spot to a "T" with seniors Jack Brown and Harry McMurray as his allies. The needed experience of a steady senior took the form of running guard Bill Royal, who continued to improve as the season progressed. Juniors Joe Morris and Bob Rollins earned their big "S's" through their superb defensive play. Senior "Skippy" Bedford filled out the guard ranks. To complete the squad, Doug Collins and Dick Carr performed the grueling duties of managers.

Although the quality of the court game has improved immensely, the competition offered by Miami Edison, Hillsborough, Plant, Jefferson, Lakeland and other Big Ten foes was incapable of daunting this year's championship squad.

SOME TRUTHS ABOUT BEVERAGE ALCOHOL

1—Beverage Alcohol is a poison.
All Alcoholic Drinks contain *Ethyl Alcohol.*
All *Alcohols* are poison.

2—Beverage Alcohol is a habit forming drug.

3—Beverage Alcohol is a depressant.

4—Beverage Alcohol disrupts most body functions including digestion.

5—For every tax $1.00 received from beverage alcohol it costs not less than $10.00 in crime, accidents, sickness, etc., etc., etc., or not less than $9.00 loss.

6—The Bible says drinking is *immoral* and *sinful.*

7—Only those who drink become drunkards. The only "moderate" or "temperate" use of Beverage Alcohol is total *abstinence.*

8—Beverage Alcohol only deadens feeling and does not remove fatigue.

9—Beverage Alcohol is an outlaw.

10—Prohibition was a great *success!* This is verified by all statistics showing improved health, decreased crime, greater bank deposits, increased home ownership, school and college attendance, number of insurance policies, etc., etc., etc., etc.

SOME POPULAR MISCONCEPTIONS ABOUT BEVERAGE ALCOHOL

1—Beverage Alcohol is a food. 2—Beverage Alcohol is a medicine. 3—Beverage Alcohol is a stimulant. 4—Beverage Alcohol aids digestion. 5.—Beverage Alcohol contributes much to the economic well being of the nation. 6—Drinking Beverage Alcohol in itself is not immoral or sinful. 7—Beverage Alcohol does no harm if taken in "moderate" or "temperate" amounts. 8—Beverage Alcohol relieves fatigue. 9—Efforts are made by manufacturers and retailers of Beverage Alcohol to regulate its sale and use to conform to the law. 10—Prohibition was a failure.

EVERY BOTTLE OF BEVERAGE ALCOHOL SHOULD BE REQUIRED TO HAVE A "POISON" LABEL WITH A DESCRIPTION OF THE DESTRUCTIVE EFFECTS TO THE MIND, SOUL AND BODY. ALL ADVERTISING OF BEVERAGE ALCOHOL SHOULD BE REQUIRED TO TELL THESE SAME TRUTHS ABOUT THIS MOST TREACHEROUS AND DECEITFUL OF ALL POISONS.

Congratulations

All through your school years,
I've watched with good cheers,
The progress of your education,
I've provided good light,
For your studies at night,
From the start until your graduation.

As for food and good health,
There, also, I've helped,
With appliances and safe 'frigeration,
Your books and your clothes,
What else, goodness knows,
I've made with my 'lectrification.

As you leave your school days,
There'll be hundreds of ways,
I'll carry on in your chosen profession,
So, for us, it's not goodbye,
'Cause in the future I'll try,
To continue my cooperation.

◆

The No-So-We-Ea staff wishes to take this opportunity to give its thanks to those whose advice, cooperation, and interest have enabled us to put out this annual. Space unfortunately does not permit mentioning everyone to whom we owe a debt of gratitude. Among those, however, whose help has been especially valuable are:

MR. BEN GRANGER, our printer;

MISS ELIZABETH MOSHER, Mr. Granger's assistant;

MRS. BERNETTE BEATTY, our engraver;

MR. W. B. KIRBY, and MRS. LULA SMITH, our portrait photographers;

MR. CARLTON GOULD, our "Superlatives" photographer;

OUR ADVERTISERS, who helped make this annual possible.
